Parent Governor Vacancy

We currently have a vacancy for a parent governor. This is an opportunity to play a crucial role in the strategic management of the school, working with the Headteacher and other governors to impact on the learning of all pupils.

If you are interested in becoming a Parent Governor, please complete the nomination form that came with your Friday Note and return it to school before 5th February 2010.

Bird Watching

Next week some children will be taking part in 'The Big School's Birdwatch', which is a national survey of birds.

The children will take the time to watch the different types of birds that visit the school grounds during the week. They will then recognise the type of bird and record the data for the RSPB.

This information, which is collected by many different schools across the country, helps the RSPB to understand the bird population in the UK.

The 'Big Garden Birdwatch' is on 30th January 2010. You can watch out for the different types of birds that visit your garden and record them.

You can take part online if you visit www.rspb.org.uk/birdwatch/getready

Well done and keep up the good work.

The Class with the best attendance last week was Class 5.

The classes with the best attendance so far this year are Classes 5 and 6.

Well done.

Shoes in School

Whilst the weather is snowy and wet please could you send your child to school with a pair of shoes to change into whilst inside the building. This is important as outside shoes are making the carpets wet and the children have to sit on these wet carpets.

Don't forget to mark all shoes with your child's name, thank you.
