### Save Our School

Last week you will have received information regarding the Primary Strategy for Change and how it could affect our school. On the back of the document was a response form asking you to decide which option you would prefer for the future of the two schools. Please can you complete this form and return it either to school or to TMBC.

**Your response could really make a difference as no decision has yet been made.** If you need any support in making your response please come in to the school office who will be very happy to help.

Additional forms are available from the office, thank you.
